After **nine** successful years in operation, the **GMTA Tennis Academy** is now accepting registration for the 2023/2024 program. This year, the program is 40 weeks long, divided in three sessions; Fall, Winter, Spring.

GMTA is a JUNIOR TENNIS ACADEMY that consists of a large instructional component, fitness, and supervised match-play. By using special equipment as part of the **Tennis Canada Progressive Development System**, we instill the passion for the sport in our students at a very early age, from 5 to 17 years old. **We believe in training aimed to constant self-improvement, therefore Giulio Morelli, the Technical Director of GMTA, sets realistic and achievable goals for an optimal progression of the Tennis skills, the athletic component, and the mental aspect of the sport. All GMTA Coaches are former students of Giulio Morelli's, and they all hold a current Tennis Canada teaching certification.** Also, they all attend updating courses on a regular basis. Our classes are small in size and operate under a **4 to1 student/instructor ratio**.

Meet the Technical Director

Giulio Morelli, GMTA Technical Director spent over 30 years coaching juniors and adults, of all ages and skill levels here in Canada. Prior to that, Giulio coached in Italy, France, Belgium, Germany, and the United States. Giulio is a certified **Tennis Canada Coach 3, USPTR Professional, and USPTA Professional**. During Giulio's coaching career, most of his students qualified to play at the Provincial and National levels. The top performers captured the **Canadian National Championship Title 17 times**.

Giulio's teaching method is based on discipline, respect, dedication, and perseverance. Constant positive support and self-confidence build-up are key elements of his teaching. Giulio likes to leave a positive mark in his students' upbringing. Most of Giulio's students stay in Tennis for the rest of their life; they earn scholarships with United States Universities, make a career in teaching tennis, or continue competing in adulthood. Nonetheless, they all pass their passion for Tennis onto their children.

Giulio Morelli was awarded the "Tennis Canada Coaching Excellence Award" in 2010
